

# Local Moose Lodge Hosts Area Council

A meeting of the Executive Council of the South Central District, California Moose Association, and the scheduling of the second stage of the lodge's Cancer education program in September is underway, according to Dan Hutchinson, governor of the Torrance Moose lodge.

Ray Hoffman, vice president of the California Moose Association, and the officers of 16 lodges in Southern California met in executive session at the Torrance lodge hall, 1744 W. Carson St., last Friday. The District representatives discussed the California Moose Association area caucus to be held at the Compton lodge Sunday.

The second phase of the lodge's Cancer educational series, scheduled for Sept. 20 at 8 p.m., will feature the American Cancer Society film "Mr. Magoo," and a physician speaker. A question and answer period will follow the program to be presented at the lodge hall. The public is invited to attend.

The Moose fraternity will open the winter social season with a dinner-dance at the lodge home Saturday. The dinner, open to the public,

will be served from 6 to 8 p.m. Dancing to the music of Joe Rudolovich and his orchestra will begin at 9 p.m. Hank Kolter is chairman of the lodge's entertainment committee.

The Torrance Moose lodge, and the other lodges of the South Central District have now contributed \$1,500 to a Moose-sponsored program to establish a training center for retarded children. James McCune, past governor of the lodge, revealed this week that a down-payment on a site was recently made by the foundation.
